Betsuhiro

Who is that?

He's the one
who was with me
just now

with crystal-
clear eyes...

Why do you
search for him?

...? Why did
this place change
so much?

Because I
promised...

to stay by his side...

Until when?

His
hands...

He's not going
to spend his
days, is he?

Until he fully
matures...

And then what?

What will happen
once he fully awakes?

Why do you ask
something like that?

Why do you
stay by his side?

For him,
that sense of
duty fills the void
in your heart...

And you choose
to stay by him.

Will you ask him
to love for you?

Mystery

I've heard that
Dragons exist somewhere
this planet, no matter
what...

... He said that it was inevitable, that there was no way around it...

I don't know if I love him, but I don't dislike him.

I think he's kind... and I "like" him, that's for sure.

So if I can, I hope that I liked him...

What if he is not
the kind being you wish
for him to be?

What...?

What if he eliminates
more life on this planet
than anything else...

and spills more
blood than any other
living being?

What if he turns
into someone that anyone
could look deeper to their
soul, huh?

What if he is hated
and despised for the
rest of his life.

...wished to vomit
blood for as long as
he lives?

He will split
the skies,

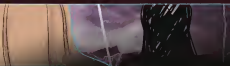

And cover
the lands

The river beds
will dry up,

And the ocean will
boil from its rage.

But that...

There must be
a reason why

A reason why
he was forced to
change like that...

Why do you think so?

The Kotoko I know
is always truthful to
me and kind.

I could never
see him turning into
someone like that.

I don't dislike you.

Even if he hurt now,

but still in the future.

I will stay by his side
because I have affected him
in who he becomes.

I can't bring myself to.

because I

and

you...

Reana,

*I like you
so much!*

*Kotoko,
your height...*

Hum...

My wings feel so heavy... should I be anything wrong, right?

Note from the Editor

It seems the fangling in the previous chapter was all diverted to the now-world-famous butt grab. Let's try again. (No, fangling on aggregator sites didn't count.)
